CONNECT YOUR SCALES

Fruits and vegetables, fish and meat connect your scales to Leo 2. Are you juggling multiple scales? A single customer ticket moves through the shop.

MANAGE ORDERS IN A SNAP

Press *Customer order.* Input delivery time, special instructions, customer deposit, program a reminder Everything you need is at your fingertips.

REWARD CUSTOMER LOYALTY

With Leo 2, create your own customer loyalty program. Collect points, reward repeat visits, apply a discount? You decide what will make your customers happy.

🅿 NEVER LOSE A SALE

Three customers want that chocolate bar. But you've run out. The *Lost sales* feature calculates the products you could have sold. A smart tool to help you manage and plan production to stay in sync with customer demand.
🅿 LIVE INVENTORY MONITORING

You can display your inventory on all of your POS system's product buttons. Select an item and the stock level on your button is updated automatically. Perfect, seamless management!

🅿 OPTIMIZE YOUR BUSINESS

Like every retail business, you want to improve your profit margins and optimize your stock. With Leo 2 you can track your sales by the hour, the week, by staff member, by customer, by treatment, etc. Crisp graphics display the ebb and flow of traffic over a day, a week, a year Leo 2 gives you all the tools you need to manage your business. Exportable files that are easy to work with and to send to your accountant.

A TEAM BY YOUR SIDE

Your reseller has the full support of the Atoo team that designed the Leo 2 software. Atoo staff are renowned for their availability and dedication to keeping customers happy. Got a question ? We're listening.

NEVER COMPROMISE ON HYGIENE OR SECURITY

Leo 2 manages your change machine. No more register discrepancies, irreproachable hygiene, and guaranteed security for your staff. You have more time to spend with customers, and you'll save precious time at the end of the day when closing out the register.
